Objective

Bachelor's degree in Computer Science (2026) with strong foundations in programming, data structures, algorithms, and emerging technologies. Interested in applying problem solving skills, adaptability and teamwork to contribute to innovative IT solutions while continuously learning and growing with the organization.

Education

Vasavi College Of Engineering , Bachelor of Engineering in Computer Science	2022 – 2026
GPA: 8.39/10.0	
Sri Chaitanya Junior College , Board of Intermediate Education, MPC Stream	2020 – 2022
Percentage: 96.3	
Sri Chaitanya High School , State Board(SSC)	2019 – 2020
GPA: 10.0/10.0	

Skills

- **Programming Languages** : C, Python, Java, SQL, JavaScript, HTML, CSS
- **Core Software** : Data Structures and Algorithms, Distributed Systems, Operating Systems, Artificial Intelligence, Machine Learning, Database Management Systems, Object-Oriented Programming
- **Soft Skills:** Teamwork, Adaptability, Problem Solving, Leadership

Projects

- | | |
|--|------|
| 1.CRIME REPORTING AND VISUALIZATION APP | 2024 |
| <ul style="list-style-type: none">• Built an Android app using Java, Firebase, Google Maps API for real-time crime reporting.• Added geolocation-based mapping, dashboards and secure multimedia uploads, improving reporting efficiency by 40%.• Implemented user authentication and cloud data synchronization to ensure secure and scalable access across devices. | |
| 2. DYNAMIC TRAFFIC SIGNAL CONTROL WITH DEEP REINFORCEMENT LEARNING | 2025 |
| <ul style="list-style-type: none">• Developed a DQN model using Python, PyTorch, SUMO, TraCI for adaptive traffic signal control.• Reduced average waiting time by 25% and improved throughput by dynamically adjusting signals according to vehicle density.• Simulated real-world urban traffic scenarios, validating the scalability and robustness of the AI-based system. | |

Certifications and Achievements

- NPTEL - Problem solving in C (2023)
- NPTEL - The Joy of Computing in Python (2023)
- Infosys Springboard - Python Programming (2024)
- Infosys Springboard - Introduction to Artificial Intelligence (2024)
- CISCO - Introduction to CyberSecurity (2025)
- CISCO - Introduction to Networks (2025)
